22 January 2020

Dear Parent,

With school in full swing, the students hard at work and the first school week history, please take note of the following:

**General Parking Area**

We would like to request that ALL students be dropped off at the bottom gate, the gate close to the office. As from 27 January, the sliding gates at the top buildings will remain closed and will purely be used for staff access.

**Boomed-off Area**

With our school situated within a suburban residential area, we would like to emphasize the importance of safety and especially road safety. We kindly ask ALL parents, drivers, transport vehicles and ubers to respect the local community by reducing their speed and obeying ALL road signs.

Being a closed-off suburb, people tend to be more in the streets, cycling, walking and running, along with children and pets. Please let's give the area the respect they deserve.

**School fees**

Please be reminded that school fees are paid up front, monthly in advance, January to November.
