24 July 2020

Dear Parent,

I would like to take this opportunity to thank you for your cooperation and your cautiousness.

I truly believe it is because of a collective effort between parents, students, teachers and grace from above that we have not had a COVID case in our school.

I know that we are not bullet proof, but with everyone's mindfulness working together, we will get through this safely.

President's Announcement

Last night our president announced that all public schools will close for a 4-week period. Unless the published Gazette has different regulations regarding Independent schools, we will remain open as planned and continue working as we have.

Most of our students are already up to date with all their work and we remain confident that we will be able to complete the academic year by December.

School Fees

It is clear that we are only at the start of the financial storm, and I wish to thank all parents for making the necessary arrangements.

Due to corruption and fraud, it seems there has been a hold up at the UIF offices and we are still waiting for our second UIF payment. As we have in good faith already given the second 25% discount for the month of July and continue to give the third 25% discount for August, we humbly request that all arrangements be honoured to help with the school's cash flow.

Grade 4 Class

It is with sadness that we need to say goodbye to ma'am Genevieve who will be moving to Cape Town at the end of the month. With today being her last day, we wish her and her husband all the best for all their future endeavours. With ma'am Genevieve gone and the school's finances also under stress, we will not be replacing ma'am Genevieve at this stage, but rather combine the Grade 3 and 4 class with a lot of experience between ma'am Retha Lottering and ma'am Louise. The Grade 4 classroom is big enough to accommodate both grades comfortably, adhering to all regulations.

May you keep safe and be blessed from above!

Regards

D Kamp
