21 September 2020

Dear Parent,

After last week's announcement by the President and the movement to Level 1 we are glad that COVID numbers are on the decrease. Through everyone's efforts and a lot of grace from above, our school has been spared from closing with active cases. Only five of our parents have tested positive and we would like to thank each one of them for acting proactive and isolating without it having an effect on the school.

Based on the announcement and the updated guidelines received from the Department of Education, our school will remain on the 50% rotation to comply with social distance regulations.

Furthermore, normal, compulsory schooling will commence as from tomorrow with ALL students returning on their respective group days until the end of 2020 or when lockdown ends altogether.

Attached please find an updated calendar for the remainder of 2020.

Please also take note of the following important, near future dates:

Thursday, 24 September - Heritage Day

School and aftercare will be closed on this public holiday.

Friday, 25 September – School Holiday
